GrayHatWarfare

Objectives:

- Utilize the GrayHatWarfare website to look for sensitive information in S3 buckets
-
- What is GrayHatWarfare?
 - Online tool for searching S3 buckets
 - <https://buckets.grayhatwarfare.com/>
 - <https://grayhatwarfare.medium.com/how-to-search-for-open-amazon-s3-buckets-and-their-contents-https-buckets-grayhatwarfare-com-577b7b437e01>
 - So it's like a web version of awsbucketdump?
 - Yes. Actually it's based off of it partially.
 - Author took common tools for bucket kicking and rewrote them into one tool
 - They also attempted to address perceived problems
 - Difficulty of finding good brute force lists
 - Most tools limit results to first page
 - Slow
 - Let's get a quick demo
